THURSDAY, NOVEMBER 3

Propane for Lawn Equipment Workshop & Exhibition

SOUTHEAST LOUISIANA
CLEAN FUEL PARTNERSHIP

PUTTING THE PIECES TOGETHER FOR CLEANER FUEL
A STRONGER ECONOMY - A HEALTHIER COMMUNITY

When: Thursday, Nov. 3, 2011
10am – 2pm
Includes Complimentary Lunch

Where: Audubon Golf Clubhouse
6500 Magazine Street, New Orleans, LA
See map below

RSVP: To reserve your seat, please email your name and the names of other people attending from your organization to: slcfp@norpc.org.

The Clean Fuel Partnership is hosting a **FREE Propane for Lawn Equipment Workshop & Exhibition**. At this event you will learn:

- **Currently available propane-powered lawn care equipment models**, including those on the State Contract List
- The **benefits** of using propane to power your lawn care operations
- Tips for **safely maintaining & refueling** propane-powered equipment
- **Grants and incentives** for switching to propane-powered lawn care equipment

Space is limited so reserve your seat early!
Priority will be given to lawn care companies
